**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My local ISP is the only service provider available in my area that had respectable privacy practices. They have the ability to be a meaningful alternative to large corporations that keep production confusing products, sold using aggressive marketing and convenience which business models that are ultimately harmful for consumers. We need small companies to exist to act and think differently. Thank you
